VISION OF THE SARRIETTE BOUTIQUE:

The SARRIETTE Boutique is a unique shopping space that promotes the **ART of FLAVOURFUL LIVING**. It gathers a collection of carefully curated locally sourced products and is designed to support small-scale food artisans. The store encourages these micro-entrepreneurs to succeed by providing a location for them to flourish and contribute in their own way to the health of the local economy. The Boutique operates during Market hours on Saturdays from 8am to 1pm during the regular season and during other special Markets.

ELIGIBLE VENDORS:

Locally produced, locally sourced and homemade products (Make it, Bake it, Grow it!)

The SARRIETTE Boutique specializes in the sale of locally sourced fresh and frozen farm, value-added products from approved growers, producers, processors and individuals, whose name, address, and signature appear on an approved vendor application. The Boutique is searching for items that compliment and add flavour to the product mix sold by regular vendors at the Bouctouche Farmers' Market.

Non-food or food-themed natural and artisanal products shall be handmade by the vendor using as much local material as possible and his/her own skill, artistry, and training to produce a new, unique, and original product appropriate for the Boutique.
